RELEASE OF CAMPER INFORMATION

Dear Creative Arts at Park Parents and Guardians:

For years, Creative Arts at Park has used photographs, audio and video of students in its publications and promotional materials. Images of student artwork and student activities are ways of sharing what goes on at our program with our extended community (alumni, campers and staff, grandparents), as well as with prospective families and others who are interested in our camp. Your signed contract assumes that your permission is granted for us to use images, audio and video of your child in this manner. We never provide names or contact information, without your written consent.

If you would like to specifically grant or deny permission to use your child's information, please complete and sign this form, and return it to the CAAP office.
