- (2) the last day of the period of time for which the last premium payment was made by you;

Policy Provision

Notice of claim: Written notice of claim must be given to us within thirty (30) days after a covered loss starts or as soon as is reasonably possible. The notice can be given to us at our Home Office or to our agent. The notice shall include the name of the Insured Person. Our Home Office is located at 77 Water Street, New York, NY 10005.

Claim Forms: When we receive the notice of claim, we will send the claimant (or the School/College to deliver to the claimant) forms for filing proof of loss. If these forms are not given within fifteen (15) days, the claimant will meet the proof of loss requirements by giving us a written statement of the nature and extent of the loss within the time limit stated in the Proofs of Loss Section.

Proofs of Loss: In the case of a claim for a loss for which this contract provides for periodic payment for a continuing loss, written proof of loss must be given to us within ninety (90) days after the end of each period for which we are liable. In case of a claim for any other loss, the written proof must be given within ninety (90) days after the date of loss. If it is not reasonably possible to give written proof in the time required, we shall not reduce or deny any claim for this reason if the proof is filed as soon as is reasonably possible. In any event, the proof required must be given to us not later than one (1) year from the time specified unless the claimant is legally incapacitated.

Payment of Claims: After receiving written proof of loss, all benefits for loss for which this contract provides for periodic payment will be paid each month. Any balance unpaid at the end of our period of liability will be paid as soon as we receive the proper written proof. Benefits for any other loss will also be paid as soon as we receive the proper written proof.

Benefits for loss of life will be paid in accordance with the beneficiary designation in effect at the time of payment. The School/College or any of its officers cannot be named as the beneficiary. If no designation then exists, any such benefits will be paid your estate. Any such benefits unpaid on the date of your death may, at our option, be paid either to the beneficiary or to your estate.

Payments for benefits for and to the extent of medical expenses incurred from an accident to the insured person may be made by us directly to any provider of such service, unless the insured requests otherwise in writing not later than the time of filing proofs of such loss.

All other benefits will be paid to you or your estate or assignee.

Physical Examination and Autopsy: We shall have the right:

- (1) at our expense to have you examined by a doctor while a claim is pending as often as is reasonably necessary;
- (2) at our expense to examine your body in case of loss of life; and
- (3) to use the results of any autopsy performed pursuant to law upon your body.

Legal Actions: No legal action may be brought to recover on this contract within sixty (60) days after written proof of loss has been given as required by this contract. No such action may be brought after three (3) years, (five (5) years in Kansas, and six (6) years in South Carolina) from the time written proof of loss is required to be given.

Change of Beneficiary: You can change your beneficiary at any time by giving us written notice. The beneficiary's consent is not required for this or any other change in the insurance provided to you.

Conformity with State Statutes: Any provision of this contract which, on its effective date, is in conflict with the laws of the state in which it is delivered or issued for delivery is amended to conform to the minimum requirements of such laws.
